

Courses offered in English (April 2025 - March 2026)

<Quarter System>

KUT employs a quarter system which one year is divided into four terms, and each term is called "quarter". In the quarter system, one quarter is generally completed in 8 weeks. 2-credit courses consist of fifteen 90minutes lectures plus a credit examination. 1st and 2nd Quarter are called Spring Semester and 3rd and 4th Quarter are called Fall Semester.

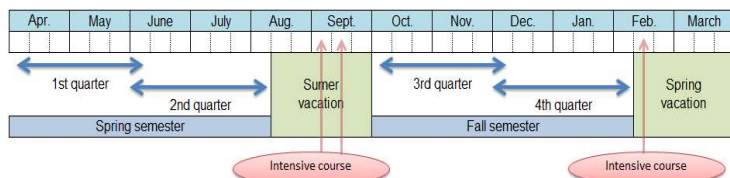

1st Quarter(Q1) From Early April to Early June

2nd Quarter(Q2) From Early June to Early August

3rd Quarter(Q3) From Beginning of October to Early December

4th Quarter (Q4) From Early December to Middle of February

<Academic Calendar>

<Course Categories>

Courses available for special Non-degree Lecture students for the purpose of credit transfer are divided into ①Humanities and Social Sciences, ②Natural Sciences, and ③Specialized courses.

① Humanities and Social Science

Courses in this group are designed to help students acquire the liberal arts, languages, and basic skills for working adults.

② Natural Science

Courses in physics, chemistry, biology, mathematics and information technology.

③ Specialized Courses

This course is designed to provide students with the specialized knowledge necessary to complete their undergraduate studies.

<Schools>

School of Systems Engineering

School of Engineering Science

School of Informatics

School of Data & Innovation

School of Economics & Management

Undergraduate students

Course Category	School	Course Names	Offered	Number of Lecture	Credit	Grade Level	Campus
Specialized Courses	Economics & Management	Introduction to Economics and Management	Semester-basis Spring Tue 5th period	15 + exam	2	B1	Kami campus
	Economics & Management	Future Design	Quarter-basis 4Q Mon&Thu 3rd period	15 + exam	2	B1	Kami campus
	Economics & Management	Global Competency Model	Quarter-basis 4Q Mon&Thu 1st period	15 + exam	2	B2	Eikokuji campus
	Economics & Management	International Trade/International Finance	Quarter-basis 1Q Mon&Thu 3rd period	15 + exam	2	B3	Eikokuji campus
	Economics & Management	Assessment Theory of Corporation Value	Quarter-basis 2Q Mon&Thu 3rd period	15 + exam	2	B3	Eikokuji campus
	Economics & Management	International Development Economics	Quarter-basis 4Q Mon&Thu 2nd period	15 + exam	2	B3	Eikokuji campus
	Economics & Management	Risk Management	Intensive Course(winter)	TBA	2	B3	TBA

Course Category	Course Names	Offered	Number of Lecture	Credit	Grade Level	Campus	Notes
Humanities and Social Science (English Language)	English 1	Semester-basis Spring	15 + exam	2	B1	Kami campus	* 1
