\*Classes of 1<sup>st</sup> period on Eikokuji Campus delayed start time by 30 minutes and staggered the schedule with University of Kochi.

\*Class hours will be back to normal from 2<sup>nd</sup> semester. We will inform you if it is changed by e-mail.

Classrooms will be ventilated regularly during classes due to prevent infection. Please adjust the air conditioning with clothing as it may not work well.

### 2. Conditions to join university-related activities

Students who have a fever or other flu-like symptoms and are not applied to the conditions can join face-to-face university-related activities (face-to-face classes, laboratory activities, extracurricular activities and other activities KUT permits).

Please refer to Item.6 of “KUT’s Response to the Novel Coronavirus”.

<https://www.kochi-tech.ac.jp/english/news/2023/005620.html>

If you tested positive for the COVID, stay home and do not join face-to-face university-related activities during a predetermined period. In addition, report it via our website. For the details,

please see Item.7 in the same page above.

### 3. About lunch

Cafeteria on campus during 12:00-12:45 must be crowded, depending on the class hours, please cooperate to avoid the crowded hours, have meals outside of campus before/after commuting to campus, or bring your lunch box.

We offer the following places to have meals other than the cafeteria.

#### <Kami Campus>

- Foyer(entrance lobby) in Auditorium
- Classrooms not used for classes

#### <Eikokuji Campus>

- B205, B206
- Place for meals in front of the cafeteria

\*Allowed to have meals in classrooms under special measures of the pandemic.

Note:

- Please cooperate with silent eating during meals and try to finish meals quickly.
- When you have meals without acrylic panels, please keep a distance from others and eat in silence.

### 4. Other preventive measures

Please refer to Item. 1 (1), Wearing a mask on the same page above regarding the mask-use.

- Wash your hands thoroughly when you arrive on campus, before/after classes, meals, after using a rest room.
- Disinfect your hands and fingers with alcohol hand sanitizer located throughout the campus.
- Use stairs as much as possible, elevators tend to match the conditions of 3 Cs.
- Please refer to Item. 1(2) Everyday preventive actions in the above webpage regarding other preventive measures.
